

"The Beast of the East"

Begun in 1975 by Spartanburg, SC native John Bryan and The Freewheelers Club, The Assaults is an award-winning, internationally recognized road cycling event that begins in Spartanburg, SC, and ends 102.7 miles and 10,000+ vertical feet later, at the summit of Mt. Mitchell, the highest peak in the Fastern United States.

10,000+ vertical feet of elevation increase miles along the course

The Freewheelers

Founded in 1973, The Freewheelers
Club is a Spartanburg, SC-based
community service organization
whose mission is to provide bicycle
safety, education and promotion, and
a forum for amateur sports
competition and touring.

In 2015, due to the success of The Assaults and the opportunity to enhance charitable giving, The Freewheelers created a 501(c)(3) sister organization, The Freewheelers Cycling Association.

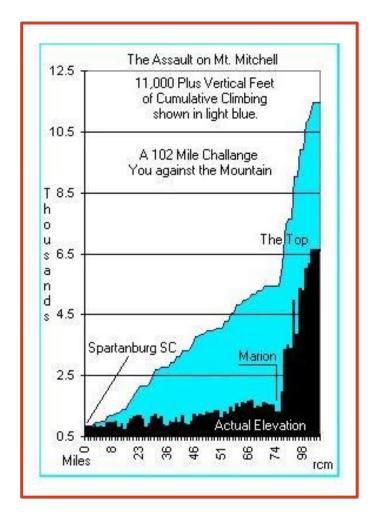

Two sister courses

The Mt. Mitchell course is the original, 102.7-mile self-paced route, including a 28-mile climb, and finishes at the top of Mt. Mitchell within Mt. Mitchell State Park.

The Marion course was introduced in 1994 to allow more cyclists to participate. Its route is the first 74.2 miles of the Mt. Mitchell course, finishing at the Tom Johnson Rally Park Pavilion in Marion, NC.

Both courses begin in downtown Spartanburg, SC.

"The Assaults has been a signature sporting event in the Upstate for more than 45 years and has brought significant recognition to this area as a vibrant and active place to live, work, and play. Piedmont Natural Gas is proud to support the communities we serve by investing in efforts like The Assaults."

—Hank McCullough P.E., Piedmont Natural Gas
